

TOWN OF MOUNT PLEASANT NOTICE OF PUBLIC MEETING

Intersection Improvements Whipple Road at Indigo Cut

The Town Mt. Pleasant will conduct a public meeting on Wednesday, February 7, 2007 at 6:00 p.m. at Mount Pleasant Municipal Complex, Council Chambers located at 100 Ann Edwards Lane, Mount Pleasant.

The purpose of the meeting is to provide a public display of the proposed intersection improvements at Whipple Road and Indigo Cut (Snee Farm).

This meeting will offer a drop-in type format with displays for viewing. There will be a brief presentation of the project beginning at 6:30 pm. Property owners in the vicinity of the project are encouraged to attend. The opportunity to provide written comments will be provided.

Additional information concerning the project may be obtained by contacting Project Manager Paul Lykins at (843) 884-1229.

A Note from the SFCF Board of Directors:

The above was prepared by the Town. In addition to sharing general information about the Widening of Whipple Road to three lanes (center turn lane), they will discuss, and soon make a decision regarding traffic control at our Indigo Cut entrance - traffic light or circle (roundabout)? There is no doubt that a safe and efficient solution needs to be achieved, but without negatively impacting property values in that area. The required quality aesthetic appearance and living environment of the nearby residents must be considered in their decision process. Please plan to attend this important meeting to learn the facts and give input as to what we think will best serve our Community in the long run. Thank you for your interest.

Best regards,
Jackie Walker, President
