

Snee Farm Community Foundation

Monthly Meeting: July 16, 2024

July 16, 2024 / 6:00 PM / SF Club or Virtual

Call to order: 6:01 pm ET

Attendee: John Eysen

Board: Katie, Adrian, Allyson, Nicole and David

MAINTENANCE: Allyson Malik

- Lakes: Due to the excessive heat leading to a lack of oxygen in the ponds, he is unable to put the level of plant killer that he would like to because it would eat up more oxygen and it would hurt the fish.
- Not anything to kill the snails, and he uses something but they are almost impossible to kill as well as their eggs.
- No decisions have been made on the repair of the Whipple road entrance.
- Cameras are working and the police were needing footage and we were able to share.

COMMUNICATIONS: Nicole Buggie

- Keeping the boards up to date with events and jokes. If someone wants to request something on the board, please send an email to me and I will review. The event needs to be within the neighborhood. Jokes are fillers when we don't have any events, safety or other critically important information to share.

VICE PRESIDENT: Katie Brennan

- Graduation banner is out and flags for the fourth. They will come down and back up for Veteran's day.
- Town of Mt Pleasant just released a new ordinance on e-bikes and we should send out an email blast to the community to make sure they are informed. Under the age of 20 you must be wearing a helmet.

LANDSCAPE: David Lane

- Nothing to report.

RAVENEL MANAGEMENT: John Eysen

- If you receive a violation for your home that is incorrect, please let me know. There are many homes and the inspector doesn't always get the house correct.
- Notice of the annual meeting will be going out soon.

PRESIDENT: Adrian Cain

- On social media there were some incidents regarding children at play and being approached. It was taken seriously and Mt Pleasant Police did engage. A year ago we put in cameras at all our entrances and in order for the police to request access to the video there must be a police report. Residents can't request footage.
- Kids on golf carts...we are a community of tight turns and blind turns and while something hasn't happened yet, it could. I have received many phone calls regarding golf carts.
- The nominating process will be going out soon and if you are interested in raising your hand for it, please do.
- In this evening's executive board, we will discuss the overall communication plan to go out around the sidewalks and speed humps. Following an email communication, a ballot will go out to those homes that are affected. All ballots will go to the community management company. Reminder that Parkway and Law Lane are affected.

Closed: motion to dismiss 6:18pm
