2018 BOARD OF DIRECTORS ELECTION CANDIDATES

THREE YEAR TERM: 2018-2021

Steve Hurst

971 Governors Road   Recorded Owner 5 Years

Board experience: President 2 years, Chairman Maintenance Committee 3 years.

During the past 3 yeas I've gained an understanding of the history, obligations,responsibilities, and functioning of the Board. I believe I've developed a good working relationship with many of our homeowners, our vendors, the Town of Mount Pleasant, and the Country Club.

I've enjoyed serving with the other members of the Board and would like to continue working on the projects which are in process.

Jenny Hilton

1001Colonial Drive   Recorded Owner 12 Years

My husband and I have lived in Snee Farm for over 12 years and owned 2 homes during this time. Our first home was located in Snee Farm Gardens and our current home is located just off Law Lane on Colonial Drive. As our family has grown we have also watched our beautiful neighborhood grow and experience revitalization. As an insurance broker/underwriter for international shipping I can certainly appreciate the delicate balance that is required when making decisions for multiple parties who may not always agree. This truly is one of the most desirable places to live in Mount Pleasant and I want to ensure this remains for years to come. I am hopeful you will consider me for a position on the 2018 HOA Board.

Kathi Willard Pogorzelski

1151 Plantation Lane   Recorded Owner 38 Years

I am a Charlestonian and a Snee Farm resident since 1983. Both my husband and I have a strong desire to see Snee Farm maintained as one of Mt. Pleasant's premier neighborhoods. I feel this is best achieved by leadership of longstanding property owners who have a vested interest in the community as a whole.

Professionally I am a registered nurse and involved in nursing organizations. We have one daughter who is married and also a Mount Pleasant resident. I enjoy walking our Lab Hank and meeting new people as we venture through the neighborhood.

Thank you for your consideration.
